This is a poem based on "Ten Little Indians". It contains some of the greatest moments in Titans history...so far, at least! Enjoy.

Chapter 1 - Ten Little Titans

1 - Ten Little Titans

Ten little Titans saw a dog said, "Mine!"
Soto hugged one and then there were nine.
Nine little Titans beating up Slade,
A robot grabbed one and then there were eight.
Eight little Titans playing with Puppet Raven,
One was transformed and then there were seven.
Seven little Titans beating Trigon with kicks,
One was zapped and then there were six.
Six little Titans chasing the Hive,
Jinx cursed one and then there were five.
Five little Titans following Warp,
One got lost in time and then there were four.
Four little Titans at Mad Mod's you see,
One was hypnotized and then there were three.
Three little Titans hanging with Fang and you,
Kitten kissed one and then there were two.
Two little Titans playing with Terra near the sun,
One was crushed and burned and then there was one.
One little Titan scared when the day was done,
He drowned in Plasmus and then there were none!
