Chapter 1 - And Tonight Iam...

1 - And Tonight I am...

I Have Often Wondered, How Long It Would Take For My Life To Get Going, How Many Nights Sat In Complete And Utter Darkness Until The Clog Finally Clicks? My Only Comfort Is In The Books, Which Clutter My Floor, They Are My Friends, They Contain All The Social Skills I Need, All The Friends I Could Ever Want Are The Fictional Characters That Are Drawn Across The Page. I Know You Are Wondering What My Name Is, Well That Will Come In Time. All You Need To Know Is Why I Exist, I Exist To Foretell The Future Of Everything...Or Not...Maybe I am Just Some Nut Locked Away From It All, Or Maybe I Don't Exist At All.

My Computer Is On 24-7 On Websites That Have Been Set Up As Virtual Worlds, That's Where I Can Truly Be Me. There I am A Warrior, A Fisherman Perhaps, Or Maybe, Just Maybe, Your Local Super Hero. It Will All Happen In Time.

I Woke Up...
