What was it you said to me about Marik? He is probably the coolest character off of yugioh and me
WANT MARIK!!!Gub
you are way too abused with this character

DevilsLady
Abused.... Don't you mean obsessed? Me want marik me want marik!

Sixtosangel
I WANT MARIK!!!!!!!!!! YOU CAN'T HAVE HIM!!!!!!!!!!

Gub DL, you can only have a copy, not the original.

DevilsLady •

hehehehehe... Math class is going to be HELL gub....

Gub •
Will you both stop ARGUING over the picture! Send me a pic you want drawn of him and I'll draw it for
you, and post it here for you to take

claws-da-virus • dont you feel loved gub. you have 2 people arguing over it.

DevilsLady Hi Claws... MARIK IS MINE AND NUNY'ALL ARE GONNA STEAL HIM FROM ME!!! YOU

purple_otter

DevilsLady, Sixtosangel, and YamiAnubis shall all know that there is no Malik or Marik that exists!!!! Well, other than pictures...

• Gub

oh come on, this was funny to read...dont reak their game yet...wait tell i get another marik pic done

DevilsLady

I don't care if he's not real! He's mine!! :P and up yours purple otter-it seems you have it in for me, so if you are going to insult me I'd rather you do it where it ain't hidden.

purple_otter I not tryin' to be mean, but it's so hard not to!!! not too ... natu ... AHH!!! NOT THAT POKEMON!

purple_otter

oh gub don't worry... I'll just make them fight lots more!!!

purple_otter

Wait... there probably is sum1 in the world that looks exactly like that... !

By: Gub •

I'M NOT A POKEMON!!!, I'M A DIGIMON!!! evil ppl... and to what you said about someone looking like that, highly unlikely unless they were to use about a pund of gel or something a day

purple_otter • I never said you were a pokemon, cause you are SOOO not!!!!

Gub •

i feel better now...then what where you calling a pokemon?

purple_otter

Natu is a psychic type little green bird with a feather on it's head that evolves into Xatu.

Does the word "Natu" look anything like the word "Gub"?

Random info:

In japan:

water = mizu, sui

fire = kaji

earth = chikyuu

wind = kaze

nature = shizen

ice = shabu

thunder = rai

ki = psychic

reiki = "universal life force"

also, for anyone's hair to stick straight up, they can use static electricity... but that would be highly un-possible... non-y malik's hair would be easier to get...

Gub •

you would still have to use a lot of gel to make it stand up and off to the site

purple_otter •

what is your favorite color?

• By: Gub •

blue and red...why??

and yours?

: purple_otter

My favorite color is clear ^-^

I don't know why i asked... I'm a psycho lunatic who wants to destroy every single Barbie in the world... that's why.

Gub •

I'll help you with that... if i can rip off there heads

Pop purple_otter •

I like Pepsi, Pepsi Blue, Diet Pepsi, Coke, Diet Coke, Vanilla Coke, Diet Vanilla Coke, Cherry Coke, Diet Cherry Coke, Sprite, Sierra Mist, 7-Up,Diet Sprite, and ... oh well. I like pop :)

>- purple_otter • the title of yamianubis's comment says maik. does anybody check their spelling anymore?

Gub • ??? no

By: purple_otter • I'm listening to michelle brach's "are you happy now", it is one of the best songs eva!!!!!!!!!!!!!!!

linkinpark's song reminds me of ryuo bakura from yugioh, i don't know why though. when y.bakura smirks he reminds me of a cat, ain't that weird??????

DG-sama • *hums* The picture is pretty. And reading all the comments was quite amusing as well. Tho personally I do prefer Bakura. ^^

: Gub • marik kills him later though

Eri_Hieis_Gurl: WHAAAAAT BAKURA DIES?!?!?!?

Hiei:WHO THE HELL IS BAKURA.....

Me:umm fav yugioh villan

Hiei:oh

Me:dunn worry u my one in only^____^

By: purple_otter • I am a bum
So I'll go hum
Just for some rum
'Cause I am dumb.
Since I'm a dummy,
I'll get my mummy
To buy me some le-mon-ade

It is my poem! Do you like it?

I had a dream that the 3 Yami's and me were sitting in the audience of an empty hockey ring.
I was sitting near Y. Marik.
He suddenly got up and told me to hold his M-rod and gave me it to hold and I put it in a box. He then went to play hockey and that's all I remember.
My friend said she's scared of piles of rice in the dark. There's this picture of a motorcycle in her brother's room and it has a picture of a bike above it, she's scared of that too!

• By: Gub
purple_otter....you scare me
Eri_Hieis_Gurl:me too.....

purple_otter My friend Evelyn would scare you more if you met her! She had this dream:

Evelyn and her brother were in Egypt. She went up into a pyramid and saw some mummies knitting with some grannies. She then walked over a border line to China. There were little red restaurants with windows all the way around it with nothing in in and no doors for miles and miles and miles.

Isn't that scary? I scare everyone at the mall on my way to the toilet room :)

Gub •
didnt want to know that~!

purple_otter •
did not want to know what?

: Gub •
the toilet thing!.....

purple_otter • not people going to the toilet room, people on the way to the toilet room!

DevilsLady •
U guys are EVIL!! *runs away screaming, and laughing her head off at the same time*
Eri_Hieis_Gurl:ur still here^____^

>:(• purple_otter • On U R EVIL TOO! I AM NOT A GUY!!!!!!!!!!!!!!!!!!!! *rips a Barbie head off*

purple_otter • On
And why am I evil?

AnimeRikku *watches* has this become the chat room or what? *shakes head* this is nuts..

purple_otter hav mot been on fora long time! I have been playing WarCraft 3! want me ta draw sum peeps from it? and i be swimmin with sum new fwends!

purple_otter • marik's hair needs a lot of gel to stand up like it does. But if you try to get Vash the Stampede(from Trigun)'s hair, you need to use about a million pounds a day.

• purple_otter •
and I made Gub a pic! look up "Blue wolf for Gub" and you see it!

purple_otter •
oh gosh, this pic has the most comments.
