Chapter 1 - Leaving Home 2

Chapter 2 - Meeting Father...and some new friends 4

1 - Leaving Home

No one ever thought that I would actually become a trainer and leave town. I was always the shy, brown-haired, hazel-eyed girl who sat alone in the corner. And personally, I had liked it that way. I had a normal life, no bothers, no worries, no problems. But I knew that I couldn't stay that way for long. So this morning, I woke up at 6:30 a.m., before my parents. As I got dressed in my normal outfit, I started to wake up my Eevee, Kiranee, who was sleeping on her pillow, curled up in a little ball. I almost hated to wake her. She looked so peaceful. So I waited to wake her up until the last minute, after packing up all of my supplies and stuff.

"Hey Kiranee.....Kiranee.....get up, Kiranee..."

"Ee?"

"C'mon, it's time to go!!"

"Eevee!"

We left town not long after, and found ourselves in the middle of this huge forest. It's not that we didn't know where we were, it's just that the place was huge. At the same time though, it was beautiful. There were tons of pokemon everywhere you looked, and the road was spotted with sunlight that poked through the tree-tops.

"It's beautiful here, isn't it Kiranee?"

"Eevee!" Kiranee and I always seemed to be able to communicate with each other, We could always tell what the other was thinking, just by the look in our eyes. Of course, to others, we looked like psychos. But to us, it didn't really matter. After all, people had always thought I was odd to begin with. I was thinking about all this, when I ran into this boy, knocking us both to the ground. Kiranee was growling at him, and from where I was, I could see a small Ralts growling back at me. We both got up and brushed ourselves off, and I started blushing. Not because I liked him or anything, but this was kind of embarrassing to me.

"Look....I'm really sorry about this....really...I am."

"It's cool. My name's Leo....and you are?"

"Oh...right....my name is Kara. And this little growling ball of fur next to me is Kiranee." I gave Kiranee a stare, and she stopped growling. Instead, she came up to the Ralts, sniffed at it's feet, and started to play with it. Leo and I just watched them for a while, until Leo spoke up.

"So where are ya headed?"

"Huh....oh...to Petalaburg. My dad runs a shop there, and I wanted to see him before I left. And you?"

"Nowhere in particular. I was trying to figure out where the ferry to the Sinnoh region docks."

"Sinnoh?"

"Yeah. It's that new region that they discovered. There's supposed to be hundreds of new pokémon there, and tons of new trainers and leaders to challenge."

"Wow...that sounds amazing."

"Wanna come with me?"

"Huh?"

"Do you wanna come with me to Sinnoh region?"

"Um.....sure....thank you so much."

"No prob. So we'll camp out here tonight, head for Petalburg in the morning, then make our way to the ferry. Sound like a good plan?"

"Yep.....sounds good."

Hah!! I finished it!!! Ha!!!!!!! I'll add more later...

2 - Meeting Father...and some new friends

It was the next morning, and Leo and I had already set of towards Petalaburg City. It was pretty warm that day, and pokemon were still just flying and running everywhere, trying to find a shady spot. One Weedle even saw it funny to try and hide under my bandanna. Another Rattata saw a good hiding spot....my bag. Leo thought that watching me trying to get all of these pokemon out of my clothing and stuff was funny....but then again, I was laughing as I was doing it.

"Hey Kara!" Leo suddenly yelled. It kind of scared me. "What is it?" He grinned as he replied. "We're here!" My eyes widened. "Really?" His grin widened. "Yeah! Look!" I did, and I saw the city. It looked the same as it always had.....small....quaint.....cute."So where does your dad work?" "Um....right there!" I said, pointing at a small brick building.
