Fire and Ice

Wild locks of hair blowing in the wind,
Red like the flames,
The flames burning in my icy heart

To see him is like viewing heaven,
A wonderous image of gentle fire,
An angel in my icy eyes

Stern is his domineering voice,
It lights a flame of passion,
It blazes in my icy soul

Warm is his body close to mine,
Forever with a lust for him,
I cherish him with an icy love

To my dearest Roy*

Prince Marth
