I had found some poems I wrote a way long time ago. Decided to put em up here.

Chapter 1 - Rage	2
Chapter 2 - Where Have You Been?	3
Chapter 3 - The Mess You've Become	4

1 - Rage

Rage

I'm wrapped up in anger
I breathe only sadness
My life consists of nothing but madness

All control I had slips right through my fingers
Never to be regained
My dear friends cannot ease this pain

I continue to live
Though life's not worth living
If people receive but do no giving

At last my emotions take control
Of everything, I just let go
I will show you the pain you should know

2 - Where Have You Been?

Where Have You Been?

It's been so long since I've talked to you
I know you're busy, but nonetheless
It's lonely without you

Everyday I long for you
It's getting lonely without you
All I can do is think of you
My hopes are shot when I don't see you

I understand the pain you're in
I feel for you time and time again
But from afar I can do nothing of aid
For you, all I can do is pray

3 - The Mess You've Become

The Mess You've Become

What's Happened to you?
I thought I knew who you were
You're breaking down
You're sinking low
Just how far do you plan to go?

This mess I see here today
Is not the person I knew yesterday
You were smart, you were fun
But now you've become
A complete and utter liar

What's going on inside your mind?
Too many things you've tried to hide
You must rid yourself of this Hell you've made
For yourself, you must break away

Now the person I knew
From so long ago
Is dead and gone
There is no hope
You've drowned yourself in misery
I only hope you finally see
Just how many you hurt
