Eyes Upon Lighted Failure

Upon the stage
Guitar sounds loud
Singing our song
Out to the crowd

Bass rings low,
Drums explode with sound
Upon them our drummer pounds

The crowd eagerly sees
As the chorus approaches
On the glistening keys
I place my hands

But then it slips
I forget my part
I randomly play
As my sweat drips

I play random notes
Hoping they don't notice
The music has stopped
The silence gently floats

The concert is ruined
I can't remember a thing
But then I wake up,
It was only a dream
