**Chapter 1 - Neopia**

# 1 - Neopia

Cory dug deep through the snow of his neohome and found what he was looking for. His special Armin plushie that was given to him by his owner. Cory was a blue Bori who lived in the icy climate of Terror Mountain. He got a letter from his friend, Kayta, to come to Tyrannia to see something cool and right away. He put the Armin plushie in his suitcase and grabbed the letter on the way out. \*\*\* "Anubi, what are you doing?" the blue Wocky said to her petpet, an Anubis given to her by her owner. The Anubis was digging through the suitcase biting on everything. Brandy sighed and picked Anubi up and put it in a little carrying cage. Anubi was excited because they were also going to Tyrannia to see what Kayta was talking about. Brandy grabbed her suitcase and the Anubis's cage and headed out the door. \*\*\* The weather in Tyrannia was scorching hot as Kayta the blue Pteri waited for her friends to arrive. She was accompanied by her Droolik, Gloomy, which was just laying on the ground like a log. "Hey, look, I can see Cory!" she said squinting her eyes in the sunlight. The Droolik stuck its tongue out in approval. "Hey Kayta!" the Bori greeted. "Man, we don't get weather like this in Terror Mountain." he said wiping his face with his hand. Brandy soon joined the group and they headed towards Kayta's neohome. "Okay, Anubi, you can come out now," Brandy offered, while Anubi struggled with the lock. She unlocked the cage and Anubi ran into each room like a bullet, eager to search and explore the house. Anubi found Gloomy sitting on a big bed watching T.V. Anubi barked, wanting to play with the Droolik, but it just sat there, staring at the T.V. with its huge eyes. Anubi jumped onto the bed and nudged at the Droolik. Gloomy turned its head and stuck out its tongue. Anubi, not sure what to do, stuck out its tongue too. Gloomy waved its paws in the air in a circular motion. Anubi did the same. Soon, the two petpets were playing a game of Copycat. "So Kayta, what did you want to show us?" Cory asked, unpacking his suitcase. Kayta walked in a room and got a cage that she previously kept Gloomy in. Brandy and Cory exchanged glances as to what would it be. They looked through the openings in the cage and saw.....a Swablu????
