**Chapter 1 - A Treasure**

## 1 - A Treasure

It is night  
The stars shine bright  
I cannot sleep  
I've into my feelings delved deep  
I've uncovered a Treasure, its worth is of Great measure  
But it will not be sold  
I will keep it tightly in my hold  
It is not something Pirates search for  
And The Queen herself would find it a bore  
But I love it, ever last little bit  
None shall like it better than I  
It is worth more than money can buy  
It is larger than the largest field  
And no sword will anyone against it wield  
For I shall keep it safe from harm  
There is no need for alarm  
I've unearthed this wonderful feeling,  
And would you like me to it be revealing?  
This that I have spoken of is Love  
It is the strongest feeling I've ever had  
And in no way is it another fad  
It is trivial and wise  
The manner of it is a surprise  
But I finally understand its purpose in life...

It is not here to cause strife
