*I wrote this the night I saw The Dark Knight.
I know its short, but thats what its supposed to be, short and simple.
Tell me what you think please*

I come in the night
To fight off the bad guys who cause a fright
I try to bring safety and peace
From your problems I hope to give some release
But everything comes with a price
One that's not often nice
My outward appearance may make you feel dense

But inside.....

The Loneliness is Intense
