## **0 - A Life With No Sanity (poem)**

**When you look into my eyes  
What do you see?  
A broken heart  
A slave to dark  
Or a faded memory**

**When I sing, words fill with pain  
Like my wrists covered in blood stains  
When I draw, things are disformed  
Like my mind filled with black storms  
When I write, people are dying  
Like me in my room alone crying**

**The ghosts haunt me ever so silently  
Creepy around me ever so violently  
I scream, cry, and run away  
But no matter what, they're there to stay**

**The crow calls down, mocking my fears  
I look back not sheading a tear  
Walking a path to death in a forest of sorrow  
For in my life there will be no tomorrow**

**The piano plays with no end  
Shall the soul of a child ever desend  
She was a mistake from the start  
She played a role in life with no part**
