1 - Intro/Chapter 1::the dream;;

She ran through the dark pansgray night, searching for something unknown to her. She desperatley needed to find it. A dark shadow covered her like a blanket. There it was, the 'beast.' She coaxed it just as a crowd of people burst out of the trees and rushed towards him, swords and knives in hand.

I woke up gasping. That never happened; no one ever came out of the trees.

I had the same dream every night, the same thing happened every night and I woke up at the same time every night. But this time I saw more and awoke late for school. And I had a weird feeling brewing deep inside of me.

****authors note****

This chapter is short because it's technically the introduction. The rest of the chapters will be longer.
