"Huh where am I, who's there, who are you?"

Radiant Garden

"Wow I can't believe we defeated Xenmas!" yawned Sora as he gave a stretch and flopped back into the chair, "Yeah, that was tough, but at least we together again." said Riku, "You guys did a good job" complimented Leon, "well I'm going to get some sea salt ice cream from the market" shouted Sora, "I'll come with you" said Riku, "and so will me and Goofy" said Donald. They walked out the door only to spot a red haired man looking about, "Axel!" shouted Sora, Donald and Goofy, the haired man turned around "What! huh Roxas, I mean Sora, hiya!" shouted Axel, "How did you get here, I thought you were destroyed!" said Sora, "So did I, there was darkness then a flash of light and next thing I knew I was here feeling sorta weird" he said back, "It doesn't matter your here now" said Sora hugging him. "hey Axel if your here who is that?" said Donald pointing to the top of the wall, they spun round to see a figure dressed in a black cloak just like Axel, "Who are you show your self!" shouted Axel, the figure looked surprised and hopped to the rooftops towards the market, Axel and the others followed on the ground. The mysterious figure was now trapped in the market with no way to go, "ha got you now" said Sora, the person quickly looked around for an escape, it jumped unsteadily on to a shop roof "STOP!" shouted Axel the figure turned then slipped off the roof and landed on its back "Ohno!" said Sora running towards the figure, it was knocked out by the fall "time to see who it is" said Axel taking the hood off the figure's face, "huh?!" murmured Axel "Kitix", "you know her?!" said Sora staring at the brown haired girl

"Organization 14?!!" shouted the group of friends, "yes, I remember now." said Axel staring at the unconscious girl which layed on the bed, "so your telling me that the entire organization forgot all about her?" questioned Sora, "yes, Kitix, number 14, don't you remember Roxas we were together all the time?" said Axel, "huh I remember, well Roxas remembers, but why did she go missing and why did you forget her?", "When Roxas left, she went to look for you but never came back, then we lost all memory of her after. But at least she here now."

2 - Nobody's Heart

"Hay look she's waking up!" shouted Sora as he saw Kitix open her eyes and look around "where am I?"she said fantly "Your at Merlin's house in Radiant Garden!"said Kairi sitting down next to her "huh? What?"said Kitix, "we chased you, sorry."apalogised sora, she turned to face him and quickly examined him "ROXAS?!"she asked "Well no and yes I'm Sora, Roxas is my nobody"he said and smiled at her "I knew you would find your hearts Roxas but I LOOKED EVERY WHERE FOR YOU, WHY DID YOU LEAVE!"she shouted, the door opened "Hay I brought ice cream, I hope you like sea salt flavour!" as Sora and the others got up to get their treat, Kitix leaned to the side to see who it was "It sounds like,AXEL!"she shouted as she jumped up and ran over Axel "KITIX, Your awake!"he said as they hugged "I missed you, where I was it was lonely and I was scared!" she said as she hugged her long timed friend, as the reunion went on, sora noticed a tear trickle down each of their cheeks "huh,Axel, Kitix, your crying but how can that be you have no hearts, no emotions?" as the two stoped the pushed away from each other and wiped a tear from their faces and examined the little drop of salty water on their gloves "well this is weird" said Axel supizingly, lets ask Melin he knows a lot of stuff that isn't in any book!" said Riku.

"So your telling us that because we care so much about our friends that we've developed a nobody's heart?" asked Axel "Yes, it allows the emoitions to shine though the darkness." Merlin replied "This is great, you have what you wanted!" shouted Sora excitedly "Yeah but why now?" ask Kitix "I don't know maybe because of you reuniting with your friends after so long." merlin replied "Brillient!" said Axel "Yeah" said Kitix in a happy but sad way.

Man you idiots are easy to fool getting all your weapons was easy!"kitix replied "Huh? but why?" said sora "because my master wants it" she said then quick cluched her head as if she had a killer head ache " But we defeated Xemnas?!" shouted riku "Huh him, noway he forgot all about me I have a new master now" she replied and laughed "huh?" said axel as he stared into her eyes "YOUR NOT KITIX WHO ARE YOU AND STOP CONTROLLING HER!" he shouted she quickly clasped her head again but she looked in more pain "what?" said the group of friends "her eyes arn't the same they look hollow someones controlling her!" he replied "He's right" replied Leon

All their weapons circle kitix, as she cluched her head in pain "GET OUT OF ME!! NO I CONTROL YOU NOW!" kitix shouted as she was fighting her self "Kitix fight it!" shouted axel kitix forced her self to grab the nearest blade that circled her "KITIX DON'T DO WHAT I THINK YOUR GONING TO DO!" shouted axel "Im sorry Axel it's the only way" she said as she forcedly lifted the blade to her stomach "NO, STOP IT!" she shouted at her self she forced the blade in then a dark mist lifted from her and disapered, "NO, KITIX!" shouted axel as he ran towards the wall , the weapons went back to their owners Leon looked down at his blade dripping with a red liquid "Ohno" he said

"Good bye Axel it was nice to see you again" she said fantly and fell down off the wall and in to axel's arms "no, this is not happening!" he shouted as his faint friend blead in his arms " quick Axel get her in side!" shouted Kairi

Kitix opened her eyes slightly "Why do I have the feeling that I've done something stupid?" she said fantly "because you have and your not going to do it again, got it memorized?" said axel, she opened her eyes wider to see her friend staring down at her, she sat her self up and cluched her stomach in pain and looked down to see a bandage wrapped around her "Oh I remember, im sorry I used your blade Leon" she said " No It ok" he replied " you gave us a scare there Kitix you nearly died." said riku " Yeah and Axel cryed for ages!" laughed sora, "did not!" said axel they all laughed, "Im sorry I didnt tell you." said Kitix "Its not your fault you were scared but your alright now!" said Axel "yeah!" she replied.

4 - Friends in memories

"So Kitix who IS the master?" asked sora, "Huh, I can't remember." she replied "I can't remember anything. It not going to help is it?", "I have a way to help" said Leon "huh?" said sora "Tron's memory scan" leon replied "memory scan?" said kitix, "yes it scans for lost memories and shows them, we can use it to find out what has happened to you" he replied "Lets go use it now the longer we wait the more dangerous this master can get!" shouted sora, "Yeah let go!" shouted Kitix

They walked through the rubble of the bailey, Kitix looked down at the ruin of the castle gate "huh?" she spotted a figure in a organization cloke, "Hay Look who's that?" she asked " I don't know but I better find out." said axel "Me, donald and goofy will come with you, Leon you and the others carry on to tron and get things ready I'll bring kitix and axel to you after." said sora "right" leon replied and walked off with the others to ansem's study.

Kitix walked down to the person, it seemed to be looking around nervously "Demyx?" she murrmered to her self, Axel and the others ran to the figure and jumped him "Axel wait!" she shouted, CRASH! Axel and the others pinned the man down "Time to see who you are!" axel shouted as he pulled the hood off the man "DEMYX!" shouted axel as he jumped away "AXEL, Roxas Wait, your not going to hurt me again are you?!" said demyx "No, we're helping your friend Kitix!" said sora as he smiled "Kitix?" demyx murrmered "yeah Hiya Demyx!" she said and smiled, Demyx jumped up and run up to hug her, tears dripped down his cheeks, he stoped and wiped the tear from his face "Huh have we got hearts now?" demyx asked "well sorta, it's like this because we care so much about our friends, we got something called a nobody's heart it lets us have emotions, Got it memorized?" said axel as he tapped his head "Nobody's heart, huh" demyx replied "yes, we're going to see tron to help Kitix remember this master, so we can stop him from controlling her." said sora "can I come along?" said demyx "of course, we are friends after all, we'll fill you in, on the way there." replied Kitix

"So, Kitix you ready for the memory scan?" asked Leon as he placed a wierd thing on her head "I guess so" she replied as she looked up at the thing "It won't hurt her will it?" asked Demyx "No" Leon replied, the friends looked up at the screen and watched Kitix's memories go by.

Memory of the day Roxas left:

"So your minds made up?" asked axel

"Why did the keyblade chose me I have to know!" replied Roxas

"You can't turn on the organization!" shouted axel

"Roxas please don't go, all of us want to know things, thats what we are trying to do!" said Kitix

"All Xemnas wants is Kingdom hearts he doesn't care about memories!" said roxas

"Get on their bad side and they'll distroy you!" said axel

"No one will miss me." roxas replied

"Thats not true, we would." axel said as Roxas walked off

"Axel I'm going after him, I can't let them distroy him!" said Kitix

"But Kitix, they'll distroy you too!" he replied

"Don't worry I won't be long, cover for me Ok!" she said as she ran after Roxas.

Somewhere in Betwixt and Between:

Kitix walked slowly "Ok now Im lost, maybe if I just go through here" she walked up to a portal it closed

right in front of her "Huh?" she turned around to the other portal, it had disappeared too "O great now I'm trapped." she tried to open a dark portal, it didn't work "Oh no, now I can't get out!" she sat on the floor "why do I suddenly feel scared?" In time she forgot things one by one " I had friends didn't I, Oh I can remember, I wish I could remember" she said "I can make that happen, if you join me" said a voice " Huh what, who's there?" asked Kitix a man in white robes with metal plates appeared before her "I am Venron, I can help you get your memories back but for a price" he said "What price, I want to get out of and to get my memories back!" she replied as she quickly got up "Easy I'll do that for you only if you serve me" he said with a faint smile on his face "Sure, I'll do it just give me back my memory" she said "Alright we have a deal." he said as he held out his hand to shake, Kitix slowly reached out and shook his hand as she did a dark smoke circled them and went inside Kitix she let go "What did you do to me?" she asked " Why our deal my dear, say hello to your new master!" he laughed Kitix blanked out for a second and then her eyes were hollow just like before.

"You made a deal with this Venron dude just for your memory of us back?" asked Demyx "I guess I did" she replied as she took off the strange helmet, "But can't you just forget all about him and quit?" asked Axel "No I can't" said as she took off her glove and showed them her hand, there was a heart with one wing marked on her hand as a scar "This mark means he can control me whenever he wants, It's a mark of slavery." said Kitix sadly as they all stared at her scar in sorrow.

End of chapter 4

5 - Power of the Heart

Kitix stared out towards the dark depths of Radiant Garden "It's such a beautiful place, no place for a slave to darkness."

"KITIX WHERE ARE YOU?!" shouted Demyx he looked around "Hay Axel, have you seen Kitix?" he asked "No I thought she was with you?" axel replied "no, hay what's that?" they turned to see a letter pinned on to the wall, axel reached out and grabbed it, he opened it and read it:

Dear Friends,

By the time you have read this I would have already gone, don't try and come after me, I am just going to crawl back where I came for this is no place for me. I have left because I don't want to hurt you, you all know that Venron can control me at any time and he might force me to hurt you, my friends and I wouldn't be able to live with that, Good bye nice to see you again Axel, Demyx and Roxas, Love Kitix.

"Oh no but why it's better to face things together than alone." said Demyx, "I don't know but we're going to help her, lets go get sora and the others." axel replied.

"WHAT!" shouted the group of friends "she left a note." said axel, "we can't let her do this on her own!" shouted Kairi "Well lets look for her!" said donald

They all ran out side and split up, axel and demyx ran towards the bailey's entrance and looked over the side of the wall towards the great maw "Hay look there she is, but who's that with her?!" shouted demyx, the others ran up to join them "I think it might be Venron, when I get over there I am going to personally kick his butt!" shout axel "Don't forget me and Roxas she's our friend too ya know" said Demyx "Yeah! Riku, kairi, donald and goofy are going to help too!" said sora "Your right, Now can we please go now!" They all ran towards the dark depths.

"VENRON!" shouted Axel as the group approached the strange man with kitix "Oh look my dear we have guests." said Venron "Axel, Demyx, what are you doing here?!" kitix shouted "We've come to help you and kick this guy's butt!" shouted demyx

"Oh your not very polite are you, so you want to help your friend." venron replied as he clicked his fingers a magical rope wrapped itself around Kitix and picked her up and placed her over the edge of the cliff "aaaaaaaaa!" she screamed "Let her go!" shouted sora as the friends got ready for battle "a,a,ah If you touch me kitix goes for a little trip." he said " But she's your servant, you control her!" shouted riku "It's no matter if she dies she is disposable after all." he replied "Axel, Demyx, Roxas don't worry about me you've had this long without me, it won't be no different if I die, Just destroy Him!" she shouted "Yes go on destroy me, that is if you don't care about your friend." Venron laughed " Kitix don't say that!" shouted Demyx, "He's right we didn't come here to see you die!" shouted axel, "Please just destroy him, Please it can be my dying wish" said kitix as tears trickled down her face "This is getting boring let me decide for you!" said venron as he clicked his fingers the rope around kitix disappeared "NO!" shouted the friends

"Right that is IT!" shouted axel as tears dripped from their faces " You are going to regret that!" shouted demyx they ran and began battle with Venron.

After a long suffering battle the friends were too weak to do any more battle "You are all too weak to

beat me, so weak that you can't even grant your friends dying wish."venron laughed "we can't beat him, he's too powerful."said demyx faintly "k..kit...kitix, I'm sorry."said axel, Just then there was a flash of light, the friends looked up to see a glittering white dragon behind Venron, venron turned around and looked shocked the dragon roared at him then wacked him with it's tail, venron smashed into the wall "This is not the end!" he shouted and dissappeared. The dragons atention turned to the friends "Oh no" said Demyx "This is not good" said axel "we're too weak to beat it!"said sora, the dragon looked at them and casted cure on them, "Hay it cured us but why?" said demyx the dragon bowed and dissappeared before them leaving kitix on the ground before them shocked they ran up to her, "So she found her power" said axel " It was in her all along."said demyx.

at her face in the mirror, then at axel , then at her self again "What does this mean?" she asked " It means you have now made an even stronger contection to axel, so you will each get something from the other, like kitix has the marks" said merlin suddenly appearing in the room " so what could I get?" asked axel "well you can ether get marks like kitix or a power from kitix, they are things that you can share." he repiled, kitix and axel exchanged smiles.
