1 - A girl with power

Two parents dashed through the shadows, carrying their only daughter, Blood. They were being followed by a man, ready to kill. The two parents, Cream and Hades, weren't giving up without a fight. The man shot at Hades, and got him in the chest. The father collapsed to the floor, clearly dead. Cream let out a yelp when she saw what happened, then crumbled to the floor next to his body, and then was shot. The man ran away, not knowing they had a daughter.

Blood grew up, with something strange about her, then finally knew why she was named blood, she could control it.
