1 - a new home

'bum bum be dum bum bum be dum dum'I heard in my dream as i woke up to see that the alarm on my phone was going off. I sat up in my bed whipping the sleep out of my eyes as i turned it off. It was already 6:35 A.M. I went to the boxes of cloths that have yet to put away and grabbed a red tank, a black jacket, and my favorite pair of blue jeans. I hurriedly got dressed and ran a brush through my long black and red hair. Then ran out the door, it was a beautiful day outside. It was nice and warm, as I arrived at the training grounds where Master Iruka told me to meet him I saw a boy with black hair and a blue shirt. As I stared at him he turned and looked at me with a smile and motioned for me to come to where he was.

"hi im Sasuke"

"I..i..im..kairi"i said with a small stutter.

"thats a beautiful name"

"thanks"i said as i blushed a little.
