Chapter 1 - War

# 1 - War

## War

A fight gone too far

Is how to describe war

All those innocent men

Just walking out the door

It starts with a simple fight

Two sides of the same story

Making it stronger and stronger

Until it s something gory

The sounds of guns rattle in my head

Keeping me awake

Thinking of all those soldiers

Putting their lives at stake

We all have the power

To end this endless fight

To quickly call a truce

In the dark of night

The trumpets will sound, the bells ring

In perfect harmony

The soldiers will come back

For all of us to see

I know this day will come

That we anticipate

But war still rages on

So we just have to wait
