# 1 - Rubber Bands

*Boing! Boing! BONK!* The sound of the rubber band hitting her wrist echoed through the hallway. *Bonk! Snap! BOING! Snap! Bong! Boink!* WOULD YOU STOP?!?! Kaitlyn Lomen, one of the girl's friends, yelled. The girl stared back blankly. Kylie, you're going to hurt yourself, said Rain, another friend. The girl known as Kylie sighed. Why? It's fun, and it doesn't hurt. She tried to hide her wrist from them. Oh yeah? Rain snatched her arm and looked at the angry red welts on it. How can that not hurt? And besides, just because it doesn't hurt, doesn't mean it's not bad for you. But I'm bored and in a bad mood. This makes me feel better. She snapped the rubber band again. Rain suddenly grabbed it and pulled it off her wrist. HEY! Give that back! Will you stop? Heck no! Why should I? Rain stretched the band between her fingers and gave a sharp tug. **SNAP!!!** NO! Rain you&. You&. I HOPE HARRY POTTER RAPES YOU!!!

Huh? Kaitlyn gave a questioning look. Well, I hope Draco rapes YOU! I really don't mind, Kylie responded. I think he's positively adorable! Ewe& you sicko! Kylie giggled. Plus, I have two more rubber bands in my pocket! Rain groaned. This was going to be a long day&
