Yeah, well, I had really long one and lots of people read it and had characters in it. But then my account got hacked and in the time between, most of the people ditched and aren't around to read it anymore. So...Sign Up Here if interested.

1 - Characters (READ)

Yesh, okay. There are several people already in it, and they have PAIRINGS. The easiest thing for me to do is tell you what pairings are already taken and by who:

Keiko Ookami (Paired with: Shikamaru Nara); Owned by StrawChan
Selina of the Black Fire (Paired with: Sasuke Uchiha); Owned by LadyChaos
Nara Namida (Paired with: Kiba Inazuka); Owned by NamidaNara
Akane Hyuga (Paired with: Rock Lee); Owned by QuestionMarks109
Kaori no Kiri (Paired with: Neji Hyuga); Owned by KionaKina (DA)
Ani Somethingrother (Paired with: Shino Abruame); Owned by B
Suzimayo Somethingrother (Paired with: Naruto Uzamaki); Owned by ShineyPikachu[insertlistofnumbers]
Akara no Kiri (Paired with: Gaara); Owned by PandaChan (DA)
Dani Hatake (Paired with: Iruka); Owned by Nekogal
Sakiko (Paired with: Kakashi); Owned by SweetSacrafice

And, although he won't read it, I feel obligated to keep these two in here since they are Selina's official teammates and they are rather amusing:

Tai (Paired with: Temari)
Jami (Paired with: Kaori)

Yup. Yup. Yeah, I know there are a lot.

I'm willing to replace Akara, though. Maybe. But you need a good character. Like, REALLY good. Akara is a great character, so I'll only be replacing her with someone equally as good.

So:

Open Guys:

- Sai
- Kankurou
- Chouji
- Kabuto
- Anyone on the Akatsuki

Open Girls:

- Anyone but Temari

So...

Straw will need:

Name:

Age:

Clan: (If Any)

Kekkai Genkai/Clan Traits: (If any)

Main Jutsu/Attack Style/Weapon:

Pairing:

Appearance:

Clothing:

Shippuden:

Anything else you can think of:

And one more thing:

NO DEMONS. I already have a 10-tailed-Dog-Demon and a 6-Tailed-Wolf-Demon. And that's with the 9-tailed-Fox-Demon already running around the main story line.

Well, bye!

There are other characters, but they aren't paired with anyone.
