# 1 - Socially Rejected

## Socially Rejected

Your not gonna bring me down.  
Cuz I've already been to the bottom,  
and I'm not goin back again.  
You don't know what it feels like,  
to be all alone all the time.  
Cuz you were never,  
socially rejected!  
[rejected, rejected.]

I'm not goin down.  
I'm gonna stand up for my self.  
This time it'll be different.  
I don't want to feel alone.  
You can't hurt me,  
anymore. [anymore.]  
Cuz I'm stronger,  
than I used to be.  
And I'm smarter,  
than I need to be to deal with you.  
You're below me.  
Just the common bully.  
I'm the one,  
who'll grow up to be the winner.  
Cuz I'm a better man,  
than I thought I'd be.  
And I'm just the man,  
to take care of my own problems.

You can't bring me down.  
Cuz i've already seen the bottom,  
and I don't wanna see it again.  
You can never imagine,  
being all alone all the time.  
Cuz you were never,  
socially rejected!  
[rejected, rejected]

I've outgrown you.  
What happened yesterday,  
seems like nothing.

Those years are behind us now.  
You've outgrown me.  
What happened was so,  
insignificant.  
Those years are behind us now.

Memories fade.  
The past is the past,  
and you can't change that.  
What happens now,  
is what really matters.  
We've got to live our own life.

Noone can bring us down.  
Cuz i've been to the bottom,  
and you pushed me there.  
But that's over and done with.  
We can put all that behind us.  
Cuz none of us are all alone anymore.  
None of us are,  
socially rejected,  
anymore!  
We're not socially rejected,  
anymore!

We've got our own lives now.  
We've got families and  
careers to worry about.  
The memories of our time together,  
have already gone away.

Wether we were alone,  
or we had a group of friends beside us.  
It's all said and done.  
None of us are socially rejected,  
anymore!  
We're not socially rejected,  
anymore!  
Socially rejected!  
Socially rejected!  
Not socially rejected,  
anymore!
