**Chapter 1 - As i look back**

## 1 - As i look back

As i stood at the edge of the building with tears rolling down my face. I could not for the life of me remimber why i loved him so much. he was a jerk but more inportently he was a jerk that i love. This is my fate and my death this is how i can be with him. This is how i can stop the pain of being without my love, being with out Sasuke.

I took a deep breath and sreamed as loud as i could "Sasuke I Naruto will be with you angain". " I will be with you i will i sware it" i said lightly as I took the step of fate that will take to my love. As the wind steamed past me i could recall the last few days and how my love was taken from me.
