1 - the finding

Kankuro started to walk off into a forest surrounding the camp when he was interrupted by a voice, " Where are you going Kankuro?" said Temari "I'm going to take a walk." Kankuro said as he walked off.

A couple of minutes after walking off he came to a clearing in a forest, where, to his horror was a girl with purplish pink (like his makeup)short hair, lying in a pool of blood, there was a puppet that looked just like her a couple feet away from her and a coffin (american styled). He ran to her and knelt down by her to check her pulse. "She's still alive, but her pulse is faint" he wispered to himself. He scooped her into his arms and whent off back towards the camp.

A couple of minutes later he got to the camp, Sakura, Naruto, and Temari looked at him. "Sakura, this girls hurt and she lost alot of blood." Soon Sakura started to treat the girls wounds (Kankuro and Naruto looking away).

Sakura laid the girl down. "Is she going to be alright?" asked Kankuro "She's going to be fine, she just needs rest." said Sakura. "I am going to get something that I think belongs to her"Kankuro said as he walked off into the forest. When he arrived at the spot where he found the girl. He whent to the

puppet and put it into the coffin.

2 - the get away

Soon Kankuro returned with the coffin over his shoulder. "What's that?" asked Naruto. "It's a coffin and theres a puppet inside" said Kankuro as he put the coffin.

Soon all the ninja fell asleep.

The girl with purplish pink hair woke up, she tried to turn over put stopped and winced at the pain. 'God, it hurts so badly, where am ...' she thought and then passed out.

A couple of hours later the girl woke up and saw a group of people around in a circle, then she realized someting, SHE DIDN'T HAVE A SHIRT, ALL SHE HAD ON HER CHEST WAS BANDAGES. Then she looked over and the her puppet was over by those people. 'I can't get my puppet or they'll notice, I'll have to run without it' she thought. Then all the suddenly she jump out of the makeshift bed into the trees. Sakura, Naruto, Temari, and Kankuro turned around and realized "Wha... where did she go ?" asked Naruto "Go after her and bring her back, I whant to ask her some question!" yelled Temari "Right!" yelled the rest of the group.

Meanwhile...

The girl kept on jumping through the trees.

Kankuro kept on jumping thourgh the trees until he saw the familier pinkish purplish hair. "Hey wait up!" Kankuro yelled

The girl all the suddenly heard a voice, she turned back and saw a boy with what

looked like a cat hat on his head. She jumped down to the ground and so did the boy. "Look I don't want to hurt you, I just want to ask a few questions!" yelled the boy. "Like I'd believe you, do you think I'm argh!" the girl said then she fell to her knees. Then she passed out.

Kankuro picked her up and jumped back into the trees. "I found her." he said on a short distance radio. "Every one return to camp." said Temari "Right!" Kankuro and the others yelled. While Kankuro was jumping through the trees he noticed how beautiful her face was, with the two purplish pink marks on her cheek, purplish pink eye shadow, and the black crescent moon on her forehead. Then he noticed how she had barely anything covering her chest and he blushed a light pink.

He soon got the camp and Temari, Naruto, and Sakura were all ready there. He put the girl into the makeshift bed. "So, why are you blushing" Temari asked Kankuro. Kankuro just realized that he was still blushing. He shook his head and said "It's, uh, nothing." Temari laughed at her brother's loss of words.

Sakura was looking at a purplish pink blood stained shirt and what looked like a kimono dress sash. "You guys, I'm going to see if I can get this blood stain out of this shirt" Sakura said then she ran off.

3 - the conversation

The girl woke up and tried to turned over. Then she noticed her shirt, sash, shoes, and fingerless gloves by her, then a girl with light pink hair, and others noticed.

Kankuro knew the drill so he looked, Naruto was looking at the girl as she was grabbing he stuff. Sakura walked up to him and yelled "Naruto, if you don't look away i'll pumble you!" "Ok, ok, geeze Sakura" Naruto said then turned away.

The girl was looking at her shirt and it had a hole in whare the side would be.

A couple minutes later the girl had all of her cloths on. Naruto and Kankuro turned around. Kankuro blushed a light pink, Temari laughed at her brother, Kankuro ignored (horrible spelling) her. The girl was wearing a purplish pink kimono shirt with sleeves that whent to the tops of her elbows, and simple black kimono shash, tight black bermuda short, black ninja shoes, and black fingerless gloves. "So I guesse your going to interigate me." said the girl "No" Temari said. "Then can I go wash my face?" asked the girl "Sure, but you have to have someone come with, how about Kankuro." Temari said then she pointed at Kankuro. The girl blushed a light pink and then shook it off. Soon the girl Kankuro walked off into the forest. "Temari, why did you choose Kankuro to go with her?"asked Sakura "Because I think Kankuro should get to know her." Temari said as she was smiling and evil grin.

Kankuro and the girl arrived to a bank of a river. The girl bent by the river and started to splash water on her face, then wiped it off along with the face

makeup. "So what's your name?" asked Kankuro "Gaz Tetzuga" said the girl. There was a silence while the girl reached into to her weapons pouch on her hip and took out face makeup and then started to put it on her face. "So who's the blonde girl, blonde boy, and pink haired girl?" asked Gaz "The blonde girl is my sister Temari, the blonde boy is Naruto, and the pinked haired girl is Sakura." said Kakuro. The girl was done with her makeup, she put it away and sat down on a log. Kankuro sat down by her. "So your a puppeteer to?" asked Gaz "Yeh.What village are you from?" said Kankuro. "I'm from the village hidden in the shadows, and your from the village hidden in the Sand. Am I right?"said Gaz "Yeh. But whats the village hidden in the shadow's?" asked Kankuro "You don't know where the village hidden in the shadow's is and your a puppeteer. My village is famous it's art of puppet control, you should know about it." Gaz "Well I don't know. Is that a problem?" said Kankuro "No. But I think we should get going" said as Gaz got up and then jump up into the trees. 'I think I like her' thought Kankuro then he jumped up into the trees.
