**Chapter 1 - To Japan**

**2**

## 1 - To Japan

The whispers that follow the silence  
A prelude to the rising wind  
The dark wave looms ever closer  
And the silence falls again,

First the earth started shaking  
And so many lost their lives  
Then the wave crashed in the silence  
And caused even more to die,

Now as the silence reclaims us  
Horror fills our hearts  
We pray for the souls of the fallen  
Who were more than the sum of their parts,

The survivors surrounded by ruins  
Shocked by how fast it all fell  
What did they do to deserve this?  
To Japan, here's wishing you well.
