Chapter 0 - Peace

0 - Peace

Have you heard the word today
Ringing in the streets?
The sounds of shock and anger
Passed like skipping beats

They tell of death and sadness
From a land we hold so dear
Brought by hate and malice
To cause more hate and fear

But many more are saddened
From lands we know not of
For the same shocking happenings
That we have covered above

Paris is in our prayers today
But what we should do now
Is pray for the world we live in
This world so dark and foul

If we change our thinking
Just a little at a time
We can change our future...
