Chapter 1 - Ways To Annoy People At Wal-Mart	2
Chapter 2 - More Ways 2 Annoy People at Wal-Mart	4

1 - Ways To Annoy People At Wal-Mart

1. Ask people on the parking lot if they know where Wal-Mart is.
2. Dress up as Tony the Tiger, get a box of Frosted Flakes, and sing, "Frosted Flakes! They're more than good, they're grrreat!!"
3. Fall in the floor, act like you are having a seizure, and when you have every one's attention, get up and run away.
4. Yell, "Hey, look!! Someone dropped 50 dollars!!" When they look, run away really fast.
5. Open up bags of dry dog food and throw it in the air, screaming, "Tonight it's party time, it's party time tonight!!"
6. Go in the grocery section, yell, "FOOD FIGHT!!," and start throwing food at people that walk past you.
7. Run around acting crazy and screaming, "I forgot to take my medication today."
8. Go in the bathroom with a marble, go in a stall, drop the marble and say, "There goes my glass eye again!!"
9. When the people at the door ask you if you need a buggy, ask them how much it costs.
10. When someone puts an item in their buggy, say, "That's stealing!!!"
11. Go in the books section and when you see someone reading the back of a book, tell them it was the worst book you have ever read because the main character dies at the end.
12. Ask someone how much an item costs, and when they tell you ask them how much it costs now.
13. You and a friend dress up as Pac-Man and one of the ghosts. The one dressed as a ghost chases the one dressed as Pac-Man saying, "Whacka whacka whacka(etc.)" and the one dressed as Pac-Man starts screaming.
14. Throw an item at someone. When they look at you, blame it on someone else.
15. Go in the bathroom, fart loudly, and say that your imaginary friend did it.
16. Dress up as a leprechaun and get a box of Lucky Charms. Eat them until security guards see you, run away saying, "Ack, they're always after me Lucky Charms!!"
17. Touch someone and say, "Tag, you're it!!" Run away before they have a chance to see who you are.

18. When you are waiting to pay for your stuff, act like something smells terrible. Ask the person in front of you if they smell the fart that your imaginary friend just let.

19. Bring stink bombs to Wal-Mart and let them off in about every aisle.

20. Go to the toys section and ask your parents for something that is for a 2 year old. When they say no, throw a tantrum with them until they say yes. Then tell them you don't want it anymore.

2 - More Ways 2 Annoy People at Wal-Mart

21. Eat all the popcorn chicken and put the cup back in the stand.
22. Stop in the middle of the aisle, fart loudly, and glare at the person closest to you.
23. Stop in the bra section and ask random people if the bras are big enough for your dad.
24. Go and pay for your stuff and ask the cashier if they will accept an IOU.
25. Keep looking back at the person behind you with a suspicious look on your face. After a while, scream "Stop following me!!" and run through the store as fast as you can.
26. Buy at least \$50.00 worth of stuff and when you go to pay for it, pay it in pennies.
27. Stand beside the bathroom door and when people come out, say "Good Lord, was all that noise in there you!?"
28. Walk up to one of the cashiers with a tube of medicine and ask them if it will cure crabs.
29. When the loudspeaker comes on, fall in the floor screaming, "No, not the voices!!!"
30. Go up to people and start talking to them, but change your accent every 5 seconds.
31. Get some bananas, eat them, and throw the peel in the floor.
32. Buy some items and when you find out how much it is say angrily, "This is an outrage!!!! I refuse to pay for this. I'm calling my lawyer." Leave the store angrily muttering under your breath.
33. If you have a cellphone and it starts ringing, answer it. Regardless of who it is, say "How many times do I have to tell you to stop calling me!?" Hang up. Tell people your mom wanted you home before dark.
34. Stare at people that walk by, and when they look, tell them that staring is rude and give them a long lecture about it.
35. When someone is buying dogfood, tell them that it is bad for their health.
36. Ask random people if they know the Muffin Man.

And that's all I can think of. Goodbye now!!!!
