A poem at the top of my mind. A random, pathetic thing. Hah! You get it?

Please do not misuse my poem for any other outside purpose. I do not tolerate plagiarism.

Chapter 0 - Thing, is that you?

0 - Thing, is that you?

Thing is that you
start with a t,
Thing is that you
end with a g.
Thing is that you
rhyme with most things negative.
Thing is that you
rhyme with sting, which hurts.
Thing is that you
rhyme with fling, which people often use to say, "It was just a fling,"
Thing is that you
describe it as a short-term relationship; nothing more.
Thing is that you
would often be mistaken for something improper,
Thing is that you
would often be mistaken for something not proper,
Thing is that you
are only a substitute word for other words people have forgotten to say or don't have words for.
Thing is that you
are just a thing.

But what's wrong with being a thing?

Thing, is that you
who starts with a t,
Thing, is that you
who ends with a g.
Thing, is that you
who rhymes with most things positive.
Thing, is that you
who rhymes with sing, which is a chasm for song, for melody, for music.
Thing, is that you
who rhymes with ring, which people often use to say, "I love you. Let's cap it off with a ring,"
Thing, is that you
who describes it as a long-term relationship, nothing less.
Thing, is that you
who would often be mistaken for something improper,
Thing, is that you
who would often be mistaken for something not proper,
Thing, is that you
who is only a substitute word for people who want to say something more than the everyday ordinary.
Thing, is that you

who is much more than just a thing?
