\*Now, before you ask any questions- here's a quick show of why Finn was able to become a ninja: Daiki and Miwa, frightened of their daughter ever being involved in such danger were both against it, until Daiki realized something. If Finn trained hard enough and became a great and powerful ninja- she'd always be able to protect herself and could never be injured! He shared this idea with Miwa, who, quite grudgingly, agreed, but still cried terribly when Finn went off to the Academy for the first time. Thus, Finn was able to train hard with her parents support.
