Mommy: Whatever your seeing, you are in the wrong place! You usally "see" a guy in his underwear fighting bad guys! (reads magazine that says "Fire at Jurassic Park the ride at Universal Studios Hollywood")*NOTE: The boy and mom are from Captain Underpants, A fire at Jurassic Park the ride is possibly impossible due to the fact that is a water ride*

2) Deleted Scene:

Lenny: (drives Prius) Sonic: Boy, Disney owns everything! Kennedy Space Center, JETIX, abc,etc.,etc. (looks up, squints at the sun) I'm reading: this sun is owned by Disney. (looks down) THE SKID MARKS YOU MADE ARE NOW OWENED BY DISNEY!

3)waluigiguy22 interview

1) How long will the Moe's series last?

It will never die, possibly.

2) Will there be any more Moe's storys in the near future?

Not any planned at the moment, but I'm thinking about a story with the working title " The Pirate Chase: A Moe's Adventure " Title not yet official

3) What is the basic storyline of the series?

Every episode contains a table and Simpsons characters (mostly Homer, Lenny, Carl, Moe and Barney), cameos of other characters and even celebs doing humorus stuff!
