**Chapter 0 - I'm sorry**

**2**

## 0 - I'm sorry

We fought and my heart is heavy with tears  
Everything good is smothered by my fears  
I'm so sorry, I didn't mean to lie  
All I want to do now is cry  
You will always be my friend,  
forever until the end  
I want to be there for you  
I swear its true  
Don't turn away  
Please stay  
I love you  
You've stolen my heart  
From you I never want to part  
No amount of fighting will change my mind  
Our fates are intertwined  
You lift me up when I am down  
And make me smile when I frown  
Inside, you make me feel warm  
Outside, you keep me safe from the storm  
I love You my Dear Friend...

Always

Until the End
