# 1 - Always

Disclaimer: I don't own the characters and if i did, i'll turn them into nuns.

Let's say that the brothers are back together from wherever the hell they were and this are Otouto's thoughts as Ani sleeps peacefully by his side their first night back.

Just notice the this is the first time that I do this writing thing, so be gentle.

Always

Whenever you feel that nobody cares about you;  
that you had been forgotten by all men , women, and child,  
when you believe that nobody would lay a hand to you...  
I'll be there, for you always.

Whenever you're hungry and begin your search for food;  
And there is nowhere to find even the simple piece of crumb;  
And you see that nobody wants to share it with you...  
I'll be there, for you always.

Whenever you're cold in the winter of your life  
And you see the streets deserted, everyone safe in their homes  
As you ask for a blanket to warm up your frozen heart...  
I'll be there, for you always.

Whenever you're feeling ill and you feel that you can't take it anymore,  
And you don't even have a dime, to buy anything at the store  
As you feel your body slowly wasting away...  
I'll be there, for you always.

Whenever the moon shines over your head,  
And you wonder were to sleep this time  
As you frightful laid on the ground only to rest your tired golden eyes...  
I'll be there, for you always.

Whenever you feel scared of the things to come  
Uncertain of your own future in this world  
As you start to run away from your very own demon...  
I'll be there, for you always.

And whenever you feel alone, cursing your fate in this world,  
Asking why you're put beside me, putting up to my abuse,

Remember, my love, that even in our worst times I and only I  
Would be there,  
for you always...
