1 - Lilith

Disclaimer: I don't own the character, she belongs to the world below.

This is a story about Adam's first wife.
Short and simple.

Lilith

Out of the belly of the earth she sprouted
as the moon dared to give her skin it's shine
the midnight sky colored her hair pit black
and the stars gave the sparkle in her eyes.

Before Eve, to Adam she was his wife
with her mermaid song she won his love
but afert seeinf how simple he was
she left his side, breacking his heart.

Centuries ago, she came to see our world
wearing the most beautiful of her smiles;
with her always long white dress, she seems to fly
like a white rose dancing by.

Oh, maiden from hell
you're so beautiful and devine
despise all the evil in your heart
there is no doubt you've won mine.

Demons and gods ask to themselves:
WHAT HAVE WE DUNE?
WHAT IS THIS EVIL WE RELEASED INTO THE WORLD?
well, you may call her Lilith, but i just call her ROSE
