1 - Getting started

This is my first story hope you like it. ^v^

One day Aurora was giving out envelopes to all her friends, Ed, Al, Ray*, Gale, flame, Rage, Serenity, and Emird. Everybody was curious when they got one, they opened it up and it was an invitation to Aurora's birthday party and it was this Sunday coming up and it's Friday, nobody knew what to get her, "I want you all to come okay"? Aurora said. "But how will we know what to get you" Ed said. "You can get me something cute" Aurora said. "At least we get a clue what to get you" Emird said. "I know that you will like your present". Serenity said. "I know I will "Aurora said.

To be continued...

Yay!!! I finished my first chapter!

2 - The Perfect Gift

Second chapter hope you like it one part is funny. ^v^ Hehe

"I can't think what is cute" Ray said. "Yeah, what is cute that Aurora would like" Flame said. "Can I come out, so I can be with Serenity" Rage said. "Can I come out to Ray*" Gale said. "OK" they both said. In 5 seconds they were Rage and Gale. "I know what she will like" Emirld said. "Al did you find any homeless animals lately"? Emirld said curiously. "No, I haven't" Al said. All of a sudden a kitten was walking on the other side of the road. "I'll take care of this" Serenity said. The kitten was a smoky gray and it was a girl. Serenity talked to it and said "your going to get a home" Serenity said happily. "Meow" The Kitten said happily. Then they went back to central to go to sleep and get ready for tomorrow.

The funny part is hilarious, and Please comment. ^v^
