# 1 - Death to a Friend

~As i stand i watch u sleep  
-Thinking that the pain is deep.  
~U lay still in ur bed,  
-evil thoughts run though my head.  
~I cant stand the sight of u,  
-Making that face u always do.  
~I cant bare to do it,  
-but i must go through w/ it.  
~Everything that i fear,  
-Has now become o so clear.  
~Ur smile, ur touch, ur scent,  
-Have all gone and went.  
~U sleep so soundless,  
-Now ive become doubtless.  
~"I MUST!" i say,  
-cuz then the pain will go away.  
~I pull the knife up and found,  
-That u made no sound.  
~I watch u lay and bleed,  
-Is this really wut i need,  
~To make the pain end?  
-Cuz now ive caused a Death to a friend.....
