1 - Another Day,Another idiot to fight

Summary: After an encounter with Adonis, Raven disappears. The Titans assume she is dead....Except for one short green pointed ear changeling. He will never give up looking for her. But when he finds her.....His heart may break.

Titans Tower Roof top:

Rae:Azarath...Metrion...Zinthos,Azarath...Metrion...Zinthos,Azarath...Met-

BEEP,BEEP,BEEP,BEEP,BEEP,BEEP,BEEP,BEEP,BEEP

Rae:Ugh...Can't I finish meditating for once....

The dark titan headed down to the common room,to be informed of what idiot they were going to fight.

The common room:

Rae:Who is it this time Robin?

Rob:It's.....Adonis.

Rae:Damn it.

Star:Friend why do you hate this villain of idioticness so much? Just as Star says that Beastboy enters the room,drinking a soda.

Rae:I hate him....Because he....'Likes' Me.

BB spits out his soda.

BB;Uh...Who we talking about?

Star:The 'Moron' Adonis.

BB's eyes narrow.

BB:is that who were fighting....

Rob:Yes,And we need to go!

Robin,followed by Starfire and Cyborg run out of the room.Leaving a pissed off BeastBoy and a confused empath.

Rae:i guess we should go.

Raven walked past him,while accidentally brushing his arm.BB's face turned bright pink from the

encounter.He smelled the lavender sent in her hair,and he stared at her walking out.'*God,She's Beautiful.Why can't she see it?Wait.Don't think that Beastboy.Raven is just a friend,A friend who*

*is....hot.Wait did i just call her hot?!BAD BEAST BOY!BAD,BAD,BAD!*Rae:Beastboy,Are you coming?

Beastboy snaps out of his daze.

BB;uh,Yeah Rae i'm coming!He and Raven run out the door together.'*Maybe i should tell her....'*

2 - Sweet Sacrifice

A run down warehouse:

Rob:FREEZE ADONIS!

Adonis:Hello Titans....

Adonis's gaze from Robin goes to Raven.

Adonis: And Raven.

Raven's serious face goes to a creeped out face that kids get when they see their parents kiss.BB's face on the other hand is...well maxanem pissidy.I know not a word.So sue me.

Rob:TITANS GO!

Robin runs at Adonis,And hits his side with his bo staff.It didn't have much effect.Adonis sends robin flying into a fly charging star,who didn't expect this and she fell along with robin.Cyborg shot his sonic blast at his face,And then adonis kicks him.With 3 titans down,He goes over to Raven who has been hiding.BeastBoy looks at adonis heading towards Raven.

Adonis:Come here my little princess.....

Rae:Get away from me.....AZARATH METRION ZINTHOS!*A thousand of machines are sent flying at adonis.Adonis catches one and Throws it back at her.She didn't expect this so it landed on her and pinned her on the ground.This gave adonis time to put his real plan into action.He runs up beside her and pins her arms down with one hand,Takes of the machine with the other,Then takes his free hand and covers her mouth,Then he lifts her up.Now she is hanging from her arms,With her mouth covered.*

Adonis:Now you won't be able to use your magic to stop me.

BB:LET HER GO ADONIS!

Adonis:And why should I do that?*He pulls Raven's face up to his,and leans in part way.* She is,So beautiful....*Raven tries to turn away but adonis quickly takes off his hand and kisses her.BB is really pissed.Adonis stops and laughs at a tear that was streaming down her face.then he throw's her against the wall.She is knocked out on impact.

BB:RAVEN!!!YOU SON OF A-*Beastboy turns into the beast and starts to rip adonis to shreds.He throws adonis into the wall,and continues beating the crap outta him.little do they know that raven is now awake.And is watching in horror as the scene unfolds.she gets up and walks slowly over to them.*

Rae:BeastBoy...It's okay...Calm down...Please.

The beast's eyes turn to look at raven.His ears drop down a little bit,and he transforms back into Beastboy.

BB:R-Raven....

Adonis gets up and notices BB is weak,He kicks beastboy against a wall and uses a lazer thing he stole and blasted the roof above him and ran away.Raven see's the roof about to fall on beastboy,She runs to him and pushes him outta the way just before the Roof come crashing down on her.

BB:RAVEN!

*By now the Other Titans are awake,And come to help find Raven.BeastBoy turned into a spider to get under the rocks,then he transforms into a t-rex,to blow off all the rocks on top of him.When he goes back into his Human form,He looks for raven.But....She is not there.she disappeared.

BB:Raven?!

BB: No. She's not dead. We just have to look harder! Robin, You believe me right! You have that bond thing with her! Surely you think she's alive!

Robi who has been facing away from the team turned back to face them with an emotionless face

The hallway:

BB: I shoulda saved you..... It's my fault.... It's my fault... It's my fault... You died. IT'S ALL MY FAULT!!!!!! *BB screams the last part and slumps down the door and cries into his hands*

Star: It is not your fault, Friend Beastboy. You were weak from your battle. Please, it was not your fault.

Cy: Yeah man..... Raven saved you. You didn't know what would happen.

Rob: We'll... Get through this together.

Starfire walks over and gently hugs Beastboy

Star: yes... Together.
