Chapter 1 - Friends Forever

1 - Friends Forever

I hate it when you're mad at me.

I want you back in my life.

Look, I wish I could prove I love you,

But I just don't know.

You know that you mean the world to me,

And that's one thing that won't change.

So please stop being mad at me.

Well, I should be the one mad.

You don't know how bad you hurt me.

But I'm not mad anymore,

Cause I don't want to ruin our friendship.

So I'm sorry and remember that,

We'll be friends forever.

No matter what...

I love him, but as a friend...nothing more.
