Chapter 1 - A

1 - A

You give me reasons to cry
But you always make me smile
You tell me I should try
My best once in a while
You give me so much pain
But I'll always be in love
From the core of this very earth
To the stars way up above
You tell me that you're not
As perfect as can be
And yet I'll always know
That you'll be better than me
You tell me life's a garden
And that I should dig down deep
And I always listen
But all I can do is sleep
I wish I could live up
To the life you've always had
I have no talents I can't do math
But my writing's not that bad
I feel so good
But I'm always sad
But what matters is I love you
I hope you're glad
This is the feeling
That I've always had
