## 1 - Teh only chapter!

Sitting by the fire  
Watching the pretty flames  
Clutching a book to her chest

He sneaks up behind her and  
wraps his arms around her waist  
and pulls her onto his lap

She feels warmth and love just  
as she realizes that she is sitting  
all alone

Lying by the fire  
Tears streaming down her face  
Clutching a book to her chest
