Chapter 1 - Dream

1 - Dream

When I dream I dream that everything is fine, no more wars, no more killing, no more hateing.
When I dream I dream my hair, eyes, and skin are all the perfect shade, I dream I can fly, I dream I can sing infront of a huge crowd loud and without fear, I dream that I am loved and loved for being me.
But mostly I guess I'm dream I'm just like everyone else, I know that when I'm done I'll be myself again and I think thats ok too cause I'm a pretty good person, even if no one else sees it that way.
