1 - Love Sick *Forever*

Love Sick

Waiting To Fall,
Into Those Eyes I'm Lost...

To hold you once more,
I'd pay any cost...

I believe I love you,
Or now I Know...

I can't seem to read you,
Until you touch me and let it show...

Caught a virus from you,
So now I'm Love sick.

I really hope you love me too,
I can't seem to believe it,
Even though I know you do.

Every Song,
Slow or fast,
Recalls every moment I spent with you,
In the past...

Play with my hair,
Protect my heart,
I think I loved you,
From the very start.

Now that I'm looking back,
I denied loving you,
For your heart I Lacked...

You once told me you loved me,
It was nothing more but a crush...

You just loved the fact I flirted with you,
Joking, hanging out and such....

Now I see your face,
And the moment we're alone,

We embrace.

My love for you is wrong,
But somehow feels soright...
Makes me want to holdyou,
Every day and night...

Never Felthis feeling before,
Everything is so new,
Nothings better thanbeing with you...

Cant think straight,
You cloud my mind withdreams,
With neither sadness norhate.

Keep me close,
And Alwaysremember...

I've caught a sickness,
And itsLove sick.

May cause dazing anddreaming,
Laughing or Singing...
Uncontrollable emotions,
And maybe some tears...
If you are scared or shy,
Contact a friend you've knowna few years...

I feel so great yet sosad,
But the feeling I feel,
Couldn't be bad...

This Poem Is NEVER goingto end if I never stop...

I could go forever,
Never gonnaend....
Just like my love,
This message to you I send.
