Chapter 1 - Cry

1 - Cry

Cry

Emotions that float around...
Tears release the echoing sound,
With all these shouts in my mind.
They come out all the time.
Don't ask me,
Am I alright,
You don't need ears,
To use sight.
Just let my cry,
Noneed to ask why.
If I want to I'll say,
Otherwise I'm okay.
Hold me if you wish,
But just a hug,
Not a kiss.
If it's your fault,
Say sorry,
Or soon enough,
You'll get caught.
If you cry,
I will hold you tight,
And I'll never ask why.
Silence is sweet,
When you hear the music,
Pretend you're the beat.
If I can't cry,
I will write.
Don't look what it is,
I'm not shy,
But as I said,
Don't ask why.
If you love me,
You should know.
To you,
It should show.
I know it's not right,
But let me cry tonight.
Not issues,
I'm okay,
I don't have issues.

I love to cry,
Don't ask why.
Girls can do this,
And you can too,
Don't say I'm stupid,
You're just rude.
I will smile,
More than just once,
In a while.
This is my poem,
That she can't read,
Cuz I won't show 'em.
I want to cry,
Don't ask why.
A girl likes to say,
Did you know I cried today?
Then people wanna know,
Why I made such a show.
They listen to me more,
And I like to do it,
So it isn't a chore.
Crying is fun,
You can't ask why,
When I'm all done.
Look at the moon,
The stars in the sky,
So beautiful,
Makes me cry.
Smile through tears,
Laugh through the years.
I love to cry,
Can you see?
I'm crying cuz you love me...
