Chapter 1 - no not the store clerks	2
Chapter 2 - falling from eternity	3

1 - no not the store clerks

psycho,psycho horror
dripping into my flesh wounds
crazy,crazy philipines
achk no not the forein store clerks
they threaten my bubblegum
under the reign of hamsters
beneath a coconut sky
all my spirits settle
its time to say goodnight

well how wus it please tell me it is short should I write more?

2 - falling from eternity

slipping slowly into black
knives are drivin through my back
scarlet tears stream down my face
giving up the human race
born an angel, but I cant fly
the only option is to die
windy memories passing by
you look at me but please dont cry
my life has left me now I can't feel
silent regret my pain is real.
