Chapter 1 - grey

2

1 - grey

alone alone I'm so alone
my world is grey so very grey
no one to hold no one to see
nobody really cares for me
a broken angel left to die
tore out my wings so I cant fly
no summer days no winter nights
left to suffer my painful life
I'm so afraid,to see the grey
the deep and sinking shades of grey
the shadows creep
the darkness seeps
through open doors
I can scream no more
I feel the pain
like acid rain
fall to the floor the pain no more
these shades of grey I see nevermore
