Ok this is this is the first part of the dark trinity poems ... I hope you all like it!

Regret

Kuronue

It rings in my head as I remember the days as Youko Kurama

The name of my partner, my friend...

The day of when he died flashes as I remember it as if it was only yesterday

Kuronue

Only if I saved you and we would have escaped together...

But no you sacrificed yourself for me tell me to escape...

Only if I didn't listen ... but still I wouldn't be here, right now, if I didn't go on ahead

I would have died...

Kuronue

I just wonder if you are somewhere in a better place...

My dear friend, partner, I soon will see you again

Yes I know short sorry but that's all until next time... Be sure to look around in other section for my other dark trinity poems ja ne for now my friends!
