1 - The Body Switchers

It was an normal crazy day on earth and deep inside a strange looking home was a secret alien looking lab. In the lab was a strange green alien who want by the name of Zim. Now Zim was working on a expairment that will enslave the human race and he appeared to be wearing a weird helment on his head."Just a few more adjustments and I'll be able to enter the Intrenet and contral all the weak human's minds!" he said with much excitment and kept typing away. Meanwhile a boy with the same helment on his (slightly larger) head had the same goal in mind,his was Dib."Wow! I finally found a way to send myself into the Intrenet!" Dib exclaimed." With this thing,I can go to part of the Intenet people can't get to! And maybe find a way to expose Zim as the alien he truely is." On the other side of town Zim was close to finishing his device." And now to unlesh doom upon the doomed minds of the humans!"he shouted. At the same moment Zim and Dib both pressed the button to enter inside the Intrenet and then...it happened. A horrible wave of electrcity garbed on to their helments and then they went flying across the room."OOF! OW!" They both shouted and then sliped into unconsions. When Zim woke up, he rubbed his head and said "Man, that was weird!" but he said it in Dib's voices! " Wait a minute... THIS ISN'T MY BODY!!! he yelled. Then Zim and Dib scearmed at the top of their(or in their case each other's) lungs." How did this happened!!? Where did I go wrong!!?" Zim yelled while trying to convince himself that this didn't happen. Meanwhile Dib was in Zim's base panicking and running around in circles when all of a sudden the doorbell rang.(Here's where I come in.) At the door was none other than Irkane invader Maxine. She rang the doorbell again " ZIM!! Come on! We're suppose to go to the mall today!" she yelled."COME ON ZIM!!!"

2 - To The Mall!

Dib left Zim's hidden base and headed to the door. He neverously opened the door and desgused his voice. "Um, hello Maxine. What are you doing here?" Dib asked. " Don't tell you forgot!" Maxine shouted" We're suppose to go to the mall to research human activatiy." "Oh, um, right. I,um, just forgot . Hee-hee."Dib answered neverously. "Alright lets go!" Maxine said as she grabbed Dib's or in his case Zim's arm and draged him away. Meanwhile Zim was trying desprutly to get out of Dib's body but ,alas, it was no use. Then the door busted out and Gaz came into Dib's room."DIB! Did you use one of my dolls for you stupied expairaments? AGAIN!!!?" She said very angerly. "Um, I'm not sure what you are talking about my,uh, loving sister."Zim responed."You DID, didn't you? DIDN'T YOU!!!?" Gaz asked with rage. And then without warning Gaz leaped toward Zim in cold blood and attacked him mercilessly. On the other side of town at the local mall Dib and Maxine were browsing at one of the stores. " I wonder if they have this outfit in blue? You know how I like blue."Maxine asked Dib. "Um, I don't know? Maybe?"Dib answered. "Yeah..." Maxine said looking suspisously at Dib/Zim.They leave the store to go check out the video games." Are you feeling alright Zim?" Maxine asked. "You sound kind of weird and you haven't complain once or ask to go home yet." "Uh, yeah.Of course I'm alright Maxine. You're just being paranoid.Ha-ha." Dib said uneasily, worried that he would found out before he could know why Zim and her are such good friends besides being a spy on Dib's side. They both traveled to the far end of the when suddenly they saw a huge crowd of people surrounding the enterence of a electronics store. Dib and Maxine decided to check it."Step right up and you can get your very own robot death monkey!" The store sales person shouted to the crowd. Maxine then turned to look at Dib with a suspisouse look on her face." Wh-what are you um, looking at? Maxine?" Dib asked uneasily."Nuhing. I just thought..." Maxine said "What? WHAT!?"Dib yelled."I just thought you were going to you know, get one of those robot death monkeys." "Oh. Why would I do that? That's dumb."Dib answered." I KNOW IT!!!" Maxine shouted. " What!?" Dib questioned" YOU'RE NOT ZIM!!!"
