Chapter 1 - Beach Day

1 - Beach Day

It was a beautiful summer day,
So all my fan characters went to the Beach to play.

Emerald got there first and dragged poor Freak along
The disgruntled lennic mumbled, "I know this day's going to go wrong."

Bazooka was there to pick up some chicks,
But all he got was a punch and a couple of kicks.
Tsunami grinned and said, "Pay up, you know I won that bet!"
The meerkat shook his head and declared that they only had met.
And with that said he went off after girls again.
Unfortunately, one of the girls had a boyfriend named Ben.

Kitzy sat on the sand and was very bored
Mainly because she was being ignored.
Jewel finally asked her why she was not in the water.
She quickly responded, "This beach is a big bother."
"You afraid of the ocean, ay?" Bandanna said smirking.
Bon-Bon taunted, "Uh-oh, the sharks might be lurking!"
Kitzy simply sat there, taking in the mean jokes
Jewel jumped back into the water, like she was not in on the hoax.

Orb built sandcastles, like a good little fox
Patches, her doll, even put in tiny rocks.
Suddenly, a kid accidentally knocked the kingdom over
While chasing his kite shaped like a clover.
"Shall I take care of the boy?" the faithful puppet asked.
Orb said no, her true feelings masked.
Then all heads were returned
As the sky turned black and the sea had churned.
And the silly green kite had been struck by thunder.
"Um...oops. My bad, what a blunder,"
Orb said as she teleported to some place unknown.
A mad scientist said quietly "Damn, I should've made a clone."

....And so the story ends.
Don't you love how the poem just blends?
I can't believe this took me an hour.
Boy, this story was sour.
