Chapter 1 - one and only

2

1 - one and only

It kills my now when ever I hear you voice
It kills my now when ever I hear you voice
Why it's simple I know I'll never be more to you then a voice

What's a voice without its words?
What's a promise without the action?

I will never be anything to you then a voice
It kills me now to hear you speak

So don't speak
Be forever silent
So I can hear my heart
And not you drowning it out

I can't bare to hear you speak these words
I can't bare to hear these words with no emotion

What's a word without a voice to speak it?
What's a voice with no emotion to make it real?

I can't bare to hear these words with no emotion
I can't bare to hear you voice these words

So don't speak
Be forever silent
So I can hear my heart
And not you drowning it out

I'm losing my voice
I'm losing my time to be herd

What's my voice to you?
What's my voice if you can't hear it?

I'm losing my time to be herd
I'm losing my way of speaking

So don't speak
Be forever silent
So I can hear my heart
And not you drowning it out
