Chapter 1 - Serenity

2

1 - Serenity

Name: Serenity

Birthday: Feb. 19

Age: 15

Alchemy: She uses alchemy on herself to make her a little more powerful.

Abilities: She can jump very high, she can climb trees very easily, she bites and scratches very hard, she can see in the dark, she can be sneaky (able to sneak into a place without getting caught), can talk to cats/kittens, and she is flexible

Personality: Serenity is fun to be around with. She can be funny sometimes. She might lose her temper from time to time. Serenity hides from people because they might think she's a freak. She only has cats for friends. She doesn't know who she is, she doesn't have any memories except for one. Every night Serenity looks at the moon thinking about who she is.

Interests: Serenity has a good voice and loves to sing, especially this one song from her memory. It goes like this:

We will go everywhere together

We will be friends forever and ever

You will be there for me

And I'll be there for you too

No matter how far apart we are

We'll look into each other's hearts

To find one another

(Me and my sis made this song up. You can sing it however you want. Please don't steal. Ask me and I might let you use this song.)
