### CHAPTER 2

Saria ran downstairs at 7:00 am. She was so excited about going to Diagon alley and platform 9/3. She got dressed in some pair of blue jeans and a low cut shirt. She grabbed all the things she was hoping she will need like her favorite Inu-Yasha plushy. Her and her mom got into the car and headed for London. When they got to Diagon alley Saria got her school supply list and they went to each store and got the things she needed. When they got into the book shop Saria accidentally bumped into a boy named Chris Dave.

``Oops sorry about that."`

``No problem. My names Chris Benson and these are my friends Kyle Breton and Alex Weller."`

``Hey guys" replied Saria.`

``Yo." replied Alex.`

Chris is a third year student while Alex and Kyle are second years. They told Saria they hope she gets Ravenclaw. Well after they got to the train station they all sat on the heavily packed train. Alex and Kyle sat on one side while Saria and Chris sat on the other. It was a long ride to Hogwarts School. Saria thought it was about 2 hours to be exact. While on the train Kyle and Alex were shoving their faces in jelly beans and chocolate frogs. Saria was asleep for most of the ride and Chris was studying for a startoff test from last year that will totally affect his grade.

``Are we there yet?" asked Kyle.`

``about another half hour to go." replied Alex.`

``wow already?" asked Chris.`

``Yup." said Kyle.`

When they arrived Chris woke up Saria and they went inside.

Today was the day of free time. Here is Saria's schedule:

Saria was happy about her schedule. She has 2 classes with Chris, 5 classes with Alex and 4 classes with Kyle. Every day Saria has gotten closer to the guys they feel like family to her. Saria fell asleep around 10ish. When Alex got her up the next morning he said

``Hey wake up!!! You just can't wait to start your first day of school here."`

``No actually she can!" replied Kyle.

``Good luck on your tests today Chris!" said Saria out of no where.

``Thanks." Replied Chris annoyed because of the tests.

Well the four went down to breakfast and eat. After they were done Saria went to divination and all the rest of her classes. She met this girl named Kate Collins. She is madly in love with Harry potter. Saria over heard Kate and Hermione talking about how mean and nasty Snape was and Saria walked up to them and said

``Hey don't talk about Snape that way. He is not mean, he is strict. Like all the rest of these teachers!!!!"``

``Well sorry. Gees some people!!!" replied Kate

``Let's go!" said Hermione.

As they left Saria ran into Chris, Kyle, and Alex.

``Hey Saria!" said Kyle.

``umm guys can you call me Sari?" asked Saria.

``Sure." replied Alex.

That night Sari kept thinking about what Hermione and Kate were saying. Then she started to think they were right. A couple minutes later she fell asleep.
