Chapter 2 - Time To Go	3
Chapter 3 - I Want an Explanation	4

1 - Morning Awoken

"Edward?" Winry whispered in his ear. It was about 7:00 am and Winry was waking Ed up, who had slept in Winry's bed next to her. She continued, "Hey, Sleepy-head, c'mon." He rolled over, facing Winry, and opened his eyes, "Hmm? Oh, hey, Winry. How'd you sleep?" Winry had slept horrible. Ed snored, rolled over too much, kept kicking and hitting Winry in the face, and worst of all, he talked in his sleep. All night, the only thing she heard was, "NO! GET THE MILK AWAY FROM ME!" Hence the kicking and hitting. But, still she said, "If you slept good, so did I." He smiled and gave Winry a hug. She was blushing. He stopped and said, "Hey, have you eaten yet?" Winry shook her head, "No, I actually just woke up, too. I got you up cuz...I like being with you. It's nice." Ed blushed, "Yeah, I'm awesome, aren't I?" She playfully punched him. Just then, Pinnaco yelled, "BREAKFEAST! WINRY, EDWARD! COME AND GET IT!" And with that, they raced downstairs to eat.

2 - Time To Go

As they were eating breakfast, Winry said, "Hey, I've been studying this new stone called The Trizzendale Stone. It's told that you can stop all forces of Alchemy with it." Edward said, "Why do I need to know?" She replied, "Well, if it could stop you or hurt you....I don't want the wrong person to get ahold of it. So, could you...well...go get it?" Alphonse asked, "Where is it?" She said, "Well...it's 15 years in the future." Ed was excited, "SO WE CAN GO INTO THE FUTURE?! COOL!" Winry laughed, "I can get you there with your Alchemy and mine." (AN: Winry is the Time Alchemist) He nodded.

Later, Winry had Edward in position to go to the future. "Are you ready?" she asked. He replied, "Yup! Let's go!" She conducted her time and pushed with an extremely hard force. (AN: The harder you push, the farther you go into time) Ed closed his eyes as he was zapped into the future.

He awoke in a field of grass and saw a little girl he thought to be Winry. "Dang, Win. Wad'cha do? Send me into the past?" he mumbled. The little girl saw him and said, "Hey mister! My name's Maesi. (AN: You pronounce it like Maisy) What's yours?" He said, "Maesi? Do you have a mom?" She nodded and took his hand, leading him straight to Winry. Winry smiled, "Oh, hello there. Maesi, who's your new friend?" Maesi just giggled and said, "He never told me his name. But, mommy, where's daddy?" Winry smiled and pointed to a young man, who looked about 20 or 30, with blonde hair. Realizing who it was, Edward mumbled, "Holy crap."

3 - I Want an Explanation

Ed was speechless as the woman knelt down, (AN:HAHA! SHORTIE!!!!) extended her hand, and said, "Hello, my name is Winry. Winry Tringham." (AN:I am so evil) Ed's mouth was wide open. She continued, "I see you've met Maesi. Would you like to meet the others?" Ed, still in shock, replied, "Others?" She smiled, "Yes, I have 4 children. Maesi, Auron, Anaabell, and my newborn Trisha." Ed looked puzzled, "Trish? Maesi? How'd you come up with those names?" She said, "I named Maesi after a friend of mine who died in the line of duty, Maes Hughes. And Trisha after the dead mother of my friend, Edward Elric. I had such a huge crush on him, but when I sent him into the future, he never came back. I still miss him." They both looked up as they heard a yell, "Winry, sweetheart, we're all ready to go!" She got up, "Yes, Russell, I'll be there in a minute!" Then she looked at Ed, "Do have anywhere to stay, Mr...." He replied, "Edward. Edward Elric. The one you sent into the future. I just got here." Winry looked shocked, "I....missed you." Then, she hugged him. Really hard. Harder than any other hug she's ever given him. Then she said, "Come home with us. We...need to talk." He nodded and got in the car, sitting next to Maesi.

During the ride home, Anabell, who was 15, looked up at Ed, "Hey, mom, is this a hobo?" Winry laughed, "No, he...well, I'll explain later." The rest of the ride home was silent, except for the kiss between Winry and Russell, which made Edward shiver in disgust.
