*Nobody's home*

*Chapter 1*

*Hi, my name is Rose and I'm going to tell my story. But before I do that I have to tell u a little about me, I'm a dog hanyou and I'm 15 years old, that's enough of that now here's my story. I was out in my tree when I hear my mom scream and then a crash. I ran to the house to see what was wrong but when I got there my mom was.....was...was dead! I felt my face turn red, and I ran up stairs, when I got up there, there was this demon , all I did was grab my bag, that I had for the camping trip that I was going on that day, and I ran. I ran for my friend, Amy's house. When I go there I told Amy and her mom what happen and me & Amy grab some more stuff and ran to get Cody and Bud, who was at Cody's house. When we got there I told Amy that I would stay outside and wait. So Amy went in to get the boys.*

*Amy: hey guys we have to leave the village*

*Cody: Why?*

*Amy: Because there's a demon in the village and my mom said we have to go find the great hanyou!*

*~outside~*

*Bud: \*smile\* hey Rose*

*Me: h.....i....*

*Bud: you don't talk much do u, at less not to me.*

*I just nodded and ran up in to a tree. Then I started to remember what had happened at my house and I started to cry. Then I felt some1 hug me I jumped up to a higher branch and look to see who hugged and it was Bud.*

*Me: leave me a lone!!! And don't touch me!!!*

*I then I jumped over to another tree and cried my self to sleep. When I woke up I was on some1's back. I looked up and I was on Bud's back.*

*Me: let me go, put me down now!!!!!!!!!!!!*

*He looked up at me and tripped over a rock and we fell, I rolled into a bush and went unconies.*

*When I came to I heard something say "Kagome, come here I found some1" I opened my eyes to see a little fox demon and a girl about my age w/ black hair and brown eyes. I was in my human form because I had my bracelet on at this time.*

*The girl: Hi....my name is Kagome..... are you ok?*

*I just stared at them. I didn't know what to say. But she just smiled at me and helped me up.*

*Me: T-t-thank.....you*

*Kagome: your welcome.....ummm...hey r you hungry?*

*I just nodded and followed her to her camp site when we got there I saw a dog hanyou like me and I stepped back. He growled at me and I stepped back again.*

*The hanyou: What is she doing here?!*

*Kagome: Don't be rude or ill say it.....*

*The hanyou: \*growls\* I don't care I don't trust her...*

*Kagome: SIT!!!*

*Right when she said that, me and the hanyou fell to the grown as a result to that we both growled. I then took off my bracelet and turned into my hanyou form. At this point every1 was looking at me.*

*Me: umm.....hi....my name is.....Rose.....*

*Kagome then introduced me to every1 but the hanyou.*

*Me: umm....what's his name \*I was pointing to the hanyou\**

*Kagome: oh...yea...and that Inuyasha.*

*Me: you're the one who kills bad demons right?*

*Inu: yes.*

*Its then when I remember what had happened at our village.*

*Me: Amy, Cody, little Key and Ken, & Bud..... \*eyes start to water\* mama....*

*I then start to run I don't know where I just started to run until I ran into some1. I looked up to see a wolf demon and when I did I crawled back wards and bump a tree and I put my head down.*

***Me: p-p-plz d-d-don't h-h-hurt me.....***
