Chapter 1 - A Gift From God

1 - A Gift From God

Mothers are a gift to us, Yes those women who put us on that yellow bus

Sent from the heavens up above, With a head full of kind words and a heart full of love

They hold us when we're crying, when we're sad, When we're really happy, or glad

Here's a phrase you must've heard them shout, 'I brought you into this world, and I can take you out!'

Sometimes we forget, the blessed things they do, So lets stop to tell them now, Mama, I love you.

Happy Mother's Day to all, and make sure you tell your mom thank you and that you love her.
